NEW! Art On Demand program!

Seniors Creating Art has developed a library of art and wellness tutorial videos that can be accessed virtually at any time: **Art On Demand**! These videos provide opportunities for learning, enjoyment, and give you the opportunity to be creative! SCA has contracted with art instructors all over the world to create art tutorials, variety lectures, wellness and exercise videos. All video tutorials can be started, stopped, paused so that you can learn at your own speed and new videos are added frequently. **Art On Demand** is a paid subscription program, \$30 per month for an Individual subscription and \$250 monthly for a Community subscription.

Visit the SCA website today, www.seniorscreatingart.org, to sign up today and gain first access when **Art On Demand** launches on **May 10th!**

ArtKits now available at King County Libraries!

SCA is excited to share about a grant that we received from the King County Library Foundation to create and provide 500 ArtKits for patrons of the Library! 250 watercolor and 250 acrylic painting kits are now available to be picked up at your local King County Library! Just ask your local librarian! The ArtKits include materials to create several art projects and share how to gain access to **Art On Demand's** free video tutorials. Thank you King County Libraries for supporting SCA and helping bring the wonderful benefits of art to King County residents! You can also purchase an ArtKit online on the SCA website!

Program Update

As of November of 2021, Seniors Creating Art has been back to offering in person programs, after being on hiatus due to the Coronavirus Pandemic. We are thrilled to announce that SCA was the recipient of two grants that will allow 10 in person art programs this summer! The City of Seattle and Office of Arts and Culture awarded SCA a grant to provide 8, 4-week long art program at 8 different parks located within Seattle. 4Culture also granted Seniors Creating Art funds to provide 2 additional 4-week long programs at local senior/community centers! 2022 is off to a bang and we thank you for all of your continued support!
