## SCA Announcements

### Grant received from 4CULTURE!

We are so thankful to have received a grant from 4 Culture/King County Lodging Tax! The grant is for sustained support throughout the end of 2018. 4Culture is a wonderful organization and staple in the community. They provide support to individual artists and organizations. King County Executives and Councilmembers also made this grant possible by designating lodging tax dollars to art organizations like SCA. Thank you so much 4Culture and King County for making our community a better place with your support!

### EVENT Re-Cap! Summer Artshow!

The transformation that took place at Miller Community Center as SCA took over on July 22nd for our Annual Artshow was incredible! Artwork created by SCA class participants lit up the space and caught eyes guests made their way around the room. Thank you so much to SCA Board members, and friends and family who came to support SCA!

### Program Update

We are now busily planning for programs that will take place in the fall. It is always exciting to have programs taking place at the Seattle Park Department facilities. Check out the latest Parks Department Lifelong Recreation brochure for program details. We are also excited that our project in collaboration with The Art of Alzheimer's, The travelling mural exhibit is now at the Phinney Neighborhood Association and will soon be moving to the Pacific Science Center. Please check out our website for more program and workshop info.

### Newsletter Spotlight on SCA Friend!

This issue we want to spotlight SCA's friend Marilyn Raichle! Marilyn's passion for art and her commitment to bringing a focus on people with Alzheimer's and showing that they are Still Here is so inspiring. Marilyn's belief in the importance of SCA's mission allowed for a wonderful collaboration to be formed between SCA and Marilyn's organization, the Art of Alzheimer's. Marilyn's amazing fundraising efforts raised money for SCA art instructor Diana Fairbanks to facilitate 15 workshops for people with memory loss and the artwork from the workshops was turned into a large traveling mural exhibit. Thank you Marilyn for your enthusiasm and tireless efforts!
